Subjects offered:

- Music I
- Visual Arts
- Drama
- Dance

Performing Arts – Dance, Drama, Music & Entertainment

Our modern performing arts centre offers flexible staging, the latest in lighting equipment, access to air-conditioned music practice rooms as well as prop, scenic and costume storage.

Our costumes range from ancient Greek and Roman styles to Elizabethan and modern.

Our on-campus teachers of Music and Drama are both NIDA trained and the school offers Dance and Entertainment courses through its VET program.

Performing Arts courses are for people who have good literacy skills and have a responsible but flexible attitude. These courses are highly competitive in the HSC at state level, requiring students to be hard working and dedicated.
**Visual Arts**

*Do you want to explore more about art?*

Visual Arts involves students in the practices of art making, art criticism and art history.

Students develop their own artworks culminating in a 'body of work' in the HSC course that reflects students' knowledge and understanding about the practice and which demonstrates their ability to resolve a conceptually strong work. Students critically investigate works, critics, historians and artists from Australia as well as those from other cultures, traditions and times.

The Preliminary course is broad, while the HSC course provides for deeper, increasingly more independent investigations. While the course builds on Visual Arts learn in Years 9 & 10, it also caters for students with more limited experience in Visual Arts.
